

JANUARY 2019 NEWSLETTER

*Dear Families,
Welcome to 2019! I hope the New Year will be good to you and your family. We will be working hard to be prepared for the return of your child on January 10th. At that point, we will be half way through the school year. Thank you in advance for your continued support of the students, staff, and school. We cannot do such wonderful work without you! Please remember to record you volunteer hours in the binder in the office.*

*This month we will begin to focus on state testing which will happens in the early Spring. All parents are invited to our PTO meeting on January 15th @ 6:30 as we discuss the new changes and effects of state testing on your child and the school. We encourage all parents to attend and be informed. Child care will be available for children 3 and above. Our last two weeks of January will be filled with activities for students and families to help celebrate literacy and school choice. The culminating activity is an evening of performances at our local Barnes and Noble book store with a fundraiser for the classrooms. Be sure to come and join in the fun on that evening. Bring your school voucher for any purchases made, we will get a portion of the cost to be used in the school. What a great way to start the New Year!

Class Pictures on January 16th, Wednesday

We will take our group picture on this day, please make every effort to be present. This is a full uniform dress day. Students are to wear collared shirts in navy or light blue with dark blue or khaki bottoms. Please no colorful undershirts or leggings. We have a set uniform to let the students focus on school, not attire. Please refer to our handbook for specifics on dress. Thank you for helping us with choices for your children. We allow a dress down day on Friday for students to wear their "fun" outfits. Save the "flair" for those days. Research shows students perform better when they adhere to a set uniform.
