May 1—gr 5 SCIENCE

May 2—gr SCIENCE

—Make up tests will be as close to the dates as possible

Dear Families,

Welcome to the beginning of Spring and our third grading period. We are still learning and growing each day. Our school is alive with purposeful activity and productive tasks. Next week we will begin our mandatory state assessments with grade 4, 5, and 6 as they do the writing portion of the exam. We ask that all students, families and staff be respectful of the environment with quiet movement on the testing days. Students who are testing need to be on time, in uniform, well rested and fed to do their best! We wish each and everyone of them the Luck of March as they begin they show that in our school, FSA means Florida Students are Awesome! Please assure them that they are prepared and ready to shine! We will limit extra activities in April to allow students to get plenty of needed rest to settle their nerves. If you have any concerns, contact me in the office and I will try to reassure you too!

***Sincerely,
Ms. Turner***

Grades 1 & 2 will be heading to the Brevard Zoo on March 20th. Grade 4 will travel to Long Point Park for their re-scheduled Indian River Lagoon field trip on Thursday, March 29th.

Spring Break is just around the corner! Along with the district of Brevard, we will observe Spring Break beginning on April 2nd through April 6th with students and teachers returning on April 9th. Enjoy the wonderful time with family and friends. We will be in the office if you need our assistance. Look for registration packets when you return.

A note from Country Day Preschool...Please be prompt for the onset of the school day. The morning class begins at 8:00 and the afternoon class begins at 12:00. Late arrivals are a distraction for the teacher and the children. It's also a difficult transition for the child arriving late who has missed the important happenings at the beginning of class. Thank you!

Our Conscious Discipline skill for the month will be "Consequences". This is the power to understand that mistakes are opportunities to learn. We will be looking for this in students in the month.

NO SCHOOL on Friday, March 16th! Parents in room 4—Kindergarten have an opportunity to provide a luncheon for our hard working teachers as they participate in their last in-service of the year on **March 16th**. Thank you in advance for taking care of all of our teachers on that day.

Science Fair News: Congratulations to our School Science Fair Winners!

Grade 3

Madelyn—2nd Environmental

Kain—1st Biological

Yousuf—2nd Biological

Maya—1st Physical

Malia—2nd Physical

Nathan—3rd Physical

Adam—2nd Physical

Grade 6

Lucas E—1st Biological

Luke B—1st Biological

Students in grades 4-6 who received a 1st place will move to the District Science Fair on March 12th-14th. Visit the Melbourne Auditorium on Wednesday with Open House beginning at 3:00 and Awards at 6:30.

Come and cheer on our Scientists and Artists!

PTO NEWS

Tuesday, March 13th is our monthly PTO meeting at 6:30. Classrooms will be set up for hands-on demonstrations in Science. We will also discuss our "Beautification-Grounds" project and the "Security System" projects that won 1st and 2nd place in the poll. Thank you to all the families who voted and participated in the Jog-a-thon. Together we raised an impressive \$3546.11. Join us on Spirit Day to see winners of the most laps competed receive a trophy and the class who raised the most money receive an award! Our Spring Fling will be Friday, March 30th as we meet at FUNTOWN for an evening of activity and friendship. Tickets will be \$10.00 each. Pre-purchase is required for the event. Send your request to the office with the flier.

**2018
STEM CLUB**

Create – Analyze – Improve

The STEM club will encourage children to exercise their creative and technical skills by building upon basic STEM concepts in a fun, team-oriented environment.

STEM club will be open to the first (15) K-2nd grade students, who turn in BOTH their registration and their \$10 club fee. The \$10 fee is a one-time cost and will cover any/all associated materials.

A+ Volunteers are welcomed to supervise and assist participants with club activities.

Please complete student registration and return with payment simultaneously to be considered.
