APRIL 2018 NEWSLETTER

One test of the correctness of educational procedure is the happiness of the child.

--Maria Montessori

Dear Families,

I hope everyone had a wonderful time during the break. Teachers and staff will come back rested and ready for the final two months of school.

A very important Parent Survey will come home Monday from our SAC committee. You will have an opportunity to give your input and opinion for each classroom you have a child in. We will tally, share with stakeholders,

and use this information to make any changes necessary. Please return to the office by Thursday, April 12th. Your child will have a chance to complete their own survey in May. Together, we can make this school the best school in all of Brevard!

I look forward to a wonderful month of activities and allowing students to share their knowledge as they

participate in state testing. It is mandatory in grades 3-6. Our students are prepared, rested, and ready to do their best! Please make sure they are here on time and have had a good breakfast. I will put the dates on the calendar to help you plan for the FSA! If you have any concerns, please contact me.

Sincerely,

Ms. Turner, Principal

EARTH DAY is April 22, (Saturday)

Our school will be doing activities all month to show our care for our planet. Please collect clean soup cans, bottle caps, newspaper, and jar lids. Our Fine Arts teacher, Mrs. Jantomaso will need these items for Art and Music projects.

For concerns about school operations, contact Cindy Thomas, Head of Schools 321-779-0031
