August 2021 Newsletter

Dear Families,

Welcome back to an exciting new school year! We are putting on final touches for the staff and students to return. Please join us on Saturday, July 31st as we spruce up the outdoor campus with mulch, plants, and tree trimming. Bring your gloves and tools between 8-11am and lend a hand. We will also clean the windows and outside of the building. This is a great way to earn your ten volunteer hours. If you are not able to participate, you can simply drop off plants, bags of mulch, or anything that will help us out. This is your school and we want you to be as involved as you are able. If you have not become a registered volunteer, I would suggest beginning the paperwork now and going through the fingerprint process to be able to help out with the students and participate fully in our activities. PTO is a great way to stay involved. At this time, we are looking at face to face meetings, we may require masks at the time. Watch for more information. If needed, we will move to ZOOM meetings like last year. Thank you in advance for your support of our awesome school!

Sincerely,
Mrs. Turner
Principal

Individual Picture Day is August 25th for both schools. Dress up or dress down. you will get information from Dean Stewart on how to order prints.

Two things are necessary, the development of individuality and the participation of the individual in a truly social life."

He comes with many years' of experience in charter school management, school creation, classroom, and superintendent experience within a school setting. His energy and educational experience is an asset to our school. He is pleased to be a part of our school family. Please introduce yourself when you see him on campus.

Did you know that each and every family is a part of our PTO? Parents who participate and come to the monthly meetings feel more attached and informed about events. Attending meetings count towards your ten volunteer hours a year. We also have childcare available for 3 years and up. In addition, there is always a fun raffle each month. Our first meeting is Tuesday, August 17th (6:30 pm). At this meeting all the teachers will be introduced to the school. Come out and meet some new families. Consider being on the board to share your talents.

COVID protocols.... Along with everyone, we will be following CDC guidelines and DOH regulations for this pandemic. At this time, BPS and the county has an optional rule for masks. This means students are encouraged, but not required to wear masks. Our employees who are vaccinated and working with children are not required to wear masks. But they may wear masks as well. If the need arises, we will update this policy to be in line with our sponsor. No volunteers will come into the classroom, outside in car loop, or a closed space. No guests will be allowed in the classrooms or at lunch for the safety of our students. Please remind your student to wash hands frequently, cover mouth when coughing, and be respectful of social distancing when possible. If your child has a fever or cough, please keep him/her home until they are symptom free. If you wish for your child to wear a mask in school, please practice with them on how to wear it properly. Let's all do our part to keep everyone safe and healthy.
