Dear Families,

What a fun week of appreciation we had for teachers, staff, and families. Everyone felt the big hugs and warm wishes. We would like to congratulate Catalina Rivenes (Mother to Gabriel and Alexandria) as our Volunteer of the Year. She works behind the scenes to keep our events going.

Did you see our new pathway and soon to be covered walkway? This project is funded by the PTO, students (jog-a-thon), private donations, and our school.

As we get close to the end of the year, remember we will still have high stakes testing in May, be aware of the schedule and have them here on time and rested. It is important to be present for these last four weeks.

There are many events and activities planned as we close the school year. You will not want to miss any of them. Mark your calendars as the month will fly by!

Our final governing board meeting is scheduled for June 12th @ 3:30pm, as the board will plan for the new school year.

Sincerely,

Cheryl Turner

This very short window needs to be used to get our information on all students. Thank you for supporting your child(ren) and our school!

Our Second Annual Family Art Show! Ms. Glaucia Romano is organizing an indoor and outdoor event on May 16th at 6:00 pm. Students and families will travel through activities and participate in creating art as a family. They will also see the art on display. Volunteers are need for this evening event. Please let us know if you can work the event and can have another adult to walk your child(ren) around the stations. This will be a fun evening together and another way to see all the activities your child does at the school.

Our final PTO meeting will be on Tuesday, May 14th at 6:30. We will look at EOY events and Opening Events for next year. Come and join the fun by being a part of PTO. It is a great way to meet families and support your school.

Health and Wellness Day Monday May 20th

We are so excited to be able to participate in our annual day of looking for healthy choices for the summer. On this day we will meet as a whole school (grades K-6) and visit different stations outside that promote a prosperous summer. Dress down for movement and don't forget to apply sunscreen, wear a hat, bring a water bottle, and maybe sunglasses. Students will be outside most of the day. Each student will leave with a bag of information from the many people we had lead the day. If you have a person who want to donate their time to our event, please contact Mrs. Turner. Our events can include Yoga, Martial arts, water safety, bike safety, etc. We will need many volunteers that day to help out. We are also looking for Frozen Juice bars as an afternoon treat. Please let us know if you are able to donate these so we can get a good count. Our school does not have room to keep them so send them in on the day of the event. This will be our last FULL day of school and sure to be a highlight of the year.

Lunch will be provided by Room 1 Grades 5&6. Please let Mrs. Eiben know if you can organized it.
