- 🍂 November 21st, Parent Participation 6pm-7pm.
- November 22nd, Family Thanksgiving.
- 🍂 November 25th- November 29th, we are closed for Thanksgiving break.

Welcome, November! With this being a short month of school, it looks like our busiest yet! This month we will be focusing on Thanksgiving. Along with Thanksgiving we will be talking about turkeys. November is a full month with holidays, events, and academic activities. We also focus on Montessori for the month. The Montessori Method fosters rigorous, self-motivated growth for students while holding standards high. They can be seen in all areas of their development—cognitive, emotional, social, and physical. Each part of the classroom has a purpose, is organized and inviting. Our school motto is "Grace, Courtesy and Respect". It is expected to be given and to be received by all in the school. The month of "Thanksgiving" is a perfect time to focus on these values at home. As you have family meals, visit relatives and friends, or just spend time together, take time to point out how your family shares these beliefs. I wish you and your family a month of health, happiness, and memories.

Please be sure to switch out all bags for the bags we are providing. Thank you for all who donated!

Be sure to like and follow our new facebook page,
www.facebook.com/countrydaypreschool

November 22nd we will be hosting a Thanksgiving Celebration at 9:30am. This event is just for the parents. Please see the sign up genius to sign up to bring a special dish.

HAPPY BIRTHDAY!

This month we have no birthdays. We are finding it difficult to have a time to celebrate with cupcakes. From now on we are asking if you'd like to send in something please send in either goodie bags, or a prepackaged separate snack to send home with each child.
