

# Country Day for Children September Newsletter

Happy September! We've made it through the first few weeks of school and are falling into our routines. This month we are welcoming autumn. Each week we will be focusing on different themes. This month's themes include manners, good virtues, family, community workers and seasons. Mondays will be our show and tell days. Show and tell must be something educational.

A Note from PTO:

## International Food Fest

The event is September 19th from 6-8pm at Calvary Baptist Church (2980 N Wickham Rd, Melbourne, FL 32935)

It's basically a potluck social where everyone brings one food dish that's either special to them or part of their culture. We use the signup genius to help us get an idea of the amount of people planning on coming although we had a ton more people show up last year that never signed up.

It's a fun event. We'd like to try and include Country Day in the majority of the events through the year so the parents and kids feel welcome coming into Educational Horizons the following year.
